Vera Sharav, President for the US Alliance for Human Research Protection, believes in corona conspiracy theories and makes totally unjustified comparisons with Nazi Germany

A reader of the [German translation](#) of my vaccine book alerted me to a meeting for what he called “Corona deniers” streamed live on 19 March 2021. A Corona Committee is run by lawyer Reiner Fuellmich who appears in the video with Vera Sharav. He accepts everything she says and does not ask critical questions. Sharav spoke over the subject, [The roots of evil](#), after 3 hours and 10 minutes. The reader told me she is believed by corona deniers to be a credible witness for the thesis that the governments only want to subdue their populations. I therefore found it worthwhile to report some of what she said at the meeting.

Sharav talked endlessly about Nazi atrocities. Much of what she said was pure speculation or constituted totally unjustified parallels to current day societies.

She started by mentioning the Nazi regime and the Jude star and what she experienced herself. “I learned about the nature of evil. I know the consequences of being stigmatized as a spreader of disease.” She talks about exclusionary laws that barred Jews from living a normal life and explains that these experiences sensitized her to the current government dictates.

3.12.25: Sharav compares medicine under the Nazi regime with how it is now, speaking about how “moral norms were systematically obliterated.”

3.12.45: “The Nazi system destroyed a social conscience in the name of public health. Violations against individuals and classes of human beings were institutionalized. Eugenic public health driven policy replaced the physicians’ focus on the good of the individual ... Criminal methods were used to enforce policies. Nazi propaganda used fear of infectious epidemics to demonize Jews as spreaders of disease as a menace to public health.”

3.14.22: “Medical mandates today are a major step backward towards a fascist dictatorship and genocide. Governments dictate medical interventions. These undermine our dignity as well as our freedom. First, it was vaccination mandates for children. Now, it is for adults ... The stark lesson of the Holocaust is ... that medicine ... can be perverted from a healing humanitarian profession to a murderous apparatus ... The objective of T4 [a campaign of mass murder by involuntary ‘euthanasia’ in Nazi Germany] was to eliminate the economic burden of those the regime and the doctors deemed worthless eaters.”

3.23.0: “Covid-19 pandemic has exposed eugenics driven public health policies in western Europe and in the United States. This is a chilling replay of T4. Government directives to hospitals and nursing homes essentially condemned the elderly to death. In Europe and in the United States, hospitals were ordered not to treat, not to provide medical treatment, including oxygen, to elderly people in nursing homes. Several US governors sent infected elderly people to nursing homes knowing that they lacked essential safeguards to prevent the spread of the virus. Before he issued the executive order that sent 15,000, more than 15,000, human beings to death, Governor Cuomo New York State predicted that the virus would be like fires through dried grass in nursing homes.”

3.34.40: “Today, debates are being forbidden. A doctor is not allowed to say that a virus is being exploited to maintain a state of fear. Lockdowns have this time around proved to be very effective tools for social control, but they failed to change the course of the virus. People are being conditioned to submit passively to government dictate ... Mandatory masks are an insidious psychological weapon made to demean our dignity as free human beings. They do not work in this or any epidemic and they are the symbolic equivalent of the yellow star ... For global oligarchs, the Covid pandemic has been a financial bonanza. American billionaires increased their vast personal wealth by 2.2 trillion dollars just in 2020. So, I guess we really can't overlook the strong financial incentive for lockdowns that destroy competition ... local industries in most cities certainly have gone bankrupt. We are supposed to only buy from the large Amazons. This is planned.”

3.39.43: “Bill Gates stated in 2020 that the final solution to the pandemic will be a vaccine. You can decide what that means. Of course, he is referring to, and he is old enough, but in other words, this is a kind of a final solution. To ensure compliance with Covid vaccines, governments have instituted unprecedented aggressive measures. Primarily to ensure a vigorous cash flow.”

3.46.45: Question from Fuellmich to Sharav: “What is the ultimate goal? What are they after?” Sharav: “Greed. The great reset ... It's laid out. It's laid out. And it is essentially to finish the job. Only now it's global. It's to go beyond Hitler. He only looked at Europe and taking over Russia but still, he didn't think global. This is global. It's about population reduction that has always been the oligarchs' goal since John D Rockefeller. And power. Control ... What they are doing with this virus is to institute absolutely unprecedented oppressive and repressive elements that imprison us in our homes. They will, we are being tracked, surveyed, you know, the green passports are now being instituted to have an apartheid two class society. One class privileged, the other reviled and discriminated against. Sounds familiar? Will those detention camps follow and how will people be killed? The Nazis used tattoos to identify and track Jews, well, so they don't escape, right? Well, now we have got even invasive tracking surveillance technology, already done, it has been developed thanks to Bill Gates, the financing, including chips tattoos.”

3.49.05: “Now this great reset is a master plan. Just as Hitler had a master plan, the great reset or the new world order, or the forced industrial revolution, this is a plan and it is out in the open, and it's been, you know, he published it. Covid, as he indicated himself, Klaus Schwab [executive chairman of the World Economic Forum], has provided, is a wonderful opportunity to reset. Did any of us give informed consent to a reset of the world? ... The oligarchs already own governments ... It's not the virus that's the problem, it's the eugenics that's the problem, it has never gone away ... The elite truly believes that they are Übermenschen and we are all Untermenschen. That is what is driving this ... Once you start having these two class systems, you will not prevent a global holocaust. And they can do it remotely, click, click ... They also want to control our thinking; they want to know what we are thinking ... We were the victims, your ancestors were the perpetrators. We now must work together ... This time around, we won't let them get away with it because it really, it's worse.”

4.04.30: Sharav talks about the trial showing that oxygen given to premature babies was harmful, but she draws the wrong conclusion about this highly laudable trial that it was unethical. This is typical of the way she argues. It is like listening to the sirens of Andrew Wakefield, one of the biggest fraudsters in medicine, which Sharav considers a hero. I have described how she argues in relation to Wakefield in my book, [Vaccines: Truth, Lies, and Controversy](#).
